- Gay Men's sexual health checks and vaccination
- Testing and treatment for sexually transmissible infections (STIs) eg: Chlamydia, Gonorrhoea Syphilis and Warts
- Access to PEP (Post Exposure Prophylaxis) and PrEP
- Sex worker health check ups
- Sexual health checks and vaccination for people who inject drugs
- Hepatitis testing, treatment and vaccination
- Free condoms and lubricant
- A needle and syringe program
- Interpreters available

WHAT HAPPENS WHEN YOU VISIT THE CLINIC FOR THE FIRST TIME?

You will be asked to fill out a registration form. ***The information you give us will remain confidential and will be put in a numbered file.***

Keep this number and quote it for any test results and when making future appointments.

A nurse will determine whether you need to see a doctor or nurse for a medical issue, or a counsellor to discuss information on sexual health, safer sex or relationship issues.

SOME COMMONLY ASKED QUESTIONS:

• Do I need an appointment?

No, but it is preferred that you call and make an appointment

• Do I have to pay?

No, services are offered free of charge

• Do I need a referral from a doctor?

No, simply call the phone number on this leaflet to make an appointment
